

STATEMENT OF PURPOSE

RS25205

This amendment to Section 3, Article VIII, of the Constitution of the State of Idaho, is to reduce the bonding requirement for counties, cities, boards of education, school districts, and other subdivisions of the state from two-thirds to sixty percent of qualified electors. Difficulty passing important bonds has limited the ability of local elected leaders from effectively serving their communities. A two-thirds requirement can give a small minority the ability to effectively block progress.

FISCAL NOTE

No impact on the General Fund because this involves local elections.
